Overall Length:

4.120 inches

Overall Width:

4.500 inches

Hole Quantity:

4

Side For Which Designed:

Right side

Aircraft Location:

Center wing fuselage

Aircraft Mission Design Series:

Av-8b

Material:

Stainless steel

Material Specification:

Ams5629 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
