Aircraft Mission Design Series:
F-14a/b/d
Special Features:
Mfg's nomenclature describes item as skin inner - eng acs door, fwd inbd; dimensions: $0.063 \times 33.000 \times 52.000$
Material:
Aluminum alloy
Material Specification:
Qq-a-250/4 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
Fiin:
