Overall Length:

7.600 inches

Overall Width:

1.620 inches

Material Thickness:

0.120 inches

Hole Quantity:

3

Aircraft Location:

Opetator's seat mounting

Aircraft Mission Design Series:

C-130

Special Features:

L-shape size 1 x 1.620 in.

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
