End Application:

C-130 hercules airplane...

Side For Which Designed:

Left side

Aircraft Location:

Outer wing

Aircraft Station Number:

Fs572.00

Aircraft Mission Design Series:

C-130b and sc-130b and c-130e and hc-130h

Special Features:

Nha; p/n 342381-3l, heat treat per t6, material; clad,

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
