End Application:

F/a-18 hornet airplane...

Aircraft Location:

Pylon fwd center line

Aircraft Mission Design Series:

F/a-18a

Special Features:

Matt; alclad

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
