Overall Length:

9.920 inches

Overall Width:

9.920 inches

Material Thickness:

1.890 inches

Aircraft Mission Design Series:

Pacer dawn

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
