End Application:

C-130 hercules...

Aircraft Location:

Support-wing tip formation light

Aircraft Mission Design Series:

C-130

Special Features:

Heat treat per t4, clad

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-262 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
