**Overall Length:**

3.900 inches

**Overall Width:**

2.200 inches

**Material Thickness:**

0.025 inches

**Aircraft Location:**

Body cowl panel canted frame

**Aircraft Mission Design Series:**

B-52

**Special Features:**

Opp -513; t4 temper

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-270 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11500
