Overall Length:

10.000 inches

Overall Width:

5.000 inches

Material Thickness:

0.050 inches

Aircraft Location:

Lh upper side cowl/35-10701-2001

Aircraft Station Number:

Fs138.00

Aircraft Mission Design Series:

B-52h

Special Features:

U/a a fairing angle, opp -212

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
