Overall Length:

6.125 inches

Overall Width:

6.000 inches

End Application:

C-130 hercules aircraft

Side For Which Designed:

Right side

Aircraft Location:

Doubler assembly, taxi light

Aircraft Mission Design Series:

C-130

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
