Overall Length:

14.000 inches

Overall Width:

3.000 inches

Aircraft Location:

Center wing

Aircraft Mission Design Series:

C-130

Special Features:

Fitting-ws212.25, center wing rearbeam, ir shield attachment; c-130 centerwing mod

Height:

3.000 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
