Aircraft Location:

Engine, forward outboard

Aircraft Mission Design Series:

F-14

Special Features:

Mfr describes as skin, inner, eng access door

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
