End Application:

C-130 hercules airplane...

Side For Which Designed:

Right side

Aircraft Location:

Wire support installation

Aircraft Station Number:

Fs517.000

Aircraft Mission Design Series:

Hc-130h and c-130e and c-130g

Special Features:

Strap, nha; 389176 389103-1, heat treat per t3,

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
