**End Application:**

C-130 hercules airplane...

**Side For Which Designed:**

Right side

**Aircraft Location:**

Wire support installation

**Aircraft Station Number:**

Fs517.000

**Aircraft Mission Design Series:**

Hc-130h and c-130e and c-130g

**Special Features:**

Strap, nha; 389176 389103-1, heat treat per t3,

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
