Material Thickness:

0.032 inches

End Application:

E-3a awacs aircraft

Aircraft Mission Design Series:

E-3a

Special Features:

Fairing, fan

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
