End Application:

Mh-60k, blackhawk helicopter

Aircraft Location:

Support instl, engine controls, nose section

Aircraft Station Number:

WI264.0

Aircraft Mission Design Series:

Mh-60k

Material:

Aluminum alloy

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
