Overall Length:

32.940 inches

Overall Width:

3.250 inches

Thickness:

0.045 inches

Aircraft Location:

Keel structure

Aircraft Mission Design Series:

F-15e

Special Features:

Heat treated to 2024-t62

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
