Overall Length:

5.620 inches

Overall Width:

1.750 inches

End Application:

Sh-60 seahawk helicopter

Aircraft Location:

Nose door

Aircraft Mission Design Series:

Sh-60

Special Features:

Fitting nose door nose section;

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200-11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
