Aircraft Location:

Sill installation, window 2 & 5

Aircraft Mission Design Series:

C-135

Special Features:

Opposite -19; used as fwd angle; stock bac1514-1096 x 14.400; optional matl 2024-4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
