End Application:

F-18 fighter/bomber aircraft

Side For Which Designed:

Right side

Aircraft Location:

Wing, pylon

Aircraft Mission Design Series:

A/f-18a/c

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
