Overall Length:

38.530 inches

Overall Width:

26.010 inches

Thickness:

0.090 inches

Aircraft Station Number:

Fs634.950 to fs672.680

Aircraft Mission Design Series:

F-15e

Special Features:

Keel panel, upper lh; 6al-4v

Material:

Titanium alloy

Material Specification:

Mil-t-9046, ab-1 annealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

Mil-t-9046 spec.
