End Application:

Ch-53e helicopter

Aircraft Location:

Step centerline-winch

Aircraft Mission Design Series:

Ch-53e

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
