Side For Which Designed:

Right side

Aircraft Location:

Crew entry door

Aircraft Mission Design Series:

C-130h aircraft

Material:

Steel comp 4130

Material Specification:

Mil-t-6736 type i military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-t-6736 spec.
