**Overall Length:**

281.860 inches

**Aircraft Location:**

Keel beam

**Aircraft Station Number:**

Sta960 to 1240

**Aircraft Mission Design Series:**

C-135

**Special Features:**

Used as a chord-keel beam; opp -8; matl: alter bac 1506-566; t6 temp

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-277 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11400
