Overall Length:

281.860 inches

Aircraft Location:

Keel beam

Aircraft Station Number:

Sta960 to 1240

Aircraft Mission Design Series:

C-135

Special Features:

Used as a chord-keel beam; opp -7; matl: alter bac 1506-566; t6 temp

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
