Aircraft Location:

Upr chord floor beam bulkhead sta820

Aircraft Mission Design Series:

C-135

Special Features:

Dwg note: make from bac 1506-869; heat treat: t6; temper 0

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
