Overall Length:

18.000 inches

Overall Width:

12.000 inches

Thickness:

0.063 inches

Aircraft Location:

Is egw plenum instl

Aircraft Station Number:

X140-y392

Aircraft Mission Design Series:

B-2 pacer special

Special Features:

Eff 01007-99999; heat treat t76

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/24 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
