Side For Which Designed:

Both sides

Aircraft Location:

Fuselage (fuel manifold)

Aircraft Mission Design Series:

C-130h

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
