Overall Length:

134.500 inches

Overall Width:

7.500 inches

Material Thickness:

0.051 inches

Aircraft Location:

Bulkhead instl station 360

Aircraft Mission Design Series:

C-135

Special Features:

U/a a reinforcing web; t6 temper; finish f-2.115

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
