Overall Length:

39.400 inches

Aircraft Location:

R/h beam instl, bl51.90, bhp sta 360

Aircraft Mission Design Series:

C-135

Special Features:

Used as: aft r/h chord

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11400
