Overall Length:

17.000 inches

Aircraft Location:

Floor beam intercostal

Aircraft Mission Design Series:

Kc-135

Special Features:

Make from bac1509-100108, t6 temper, finish f-2.30; opposite -2

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-271 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
