End Application:

Oh-58d

Aircraft Location:

Pylon

Aircraft Mission Design Series:

Oh-58

Special Features:

Material 4140 steel heat treat body 220 ksi min-pad 180 ksi min body silver plate pad cadmium plate;

Material:

Steel comp 4140

Material Specification:

Mil-s5626 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

spec.
