Overall Length:

4.000 inches

Aircraft Location:

Stringer attachment

Aircraft Mission Design Series:

C-135

Special Features:

Make from bac 1507-48694; t6 temp; fin f-2.30; u/a a clip

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
