Overall Length:

2.920 inches

Overall Width:

1.630 inches

Material Thickness:

0.080 inches

Aircraft Location:

Former-side panel fs684.100

Aircraft Mission Design Series:

F-15s

Material:

Titanium alloy

Material Specification:

Mil-t-9046 type 3, comp c anl military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800

Mil-std (military Standard):

Mil-t-9046 spec.
