Side For Which Designed:

Left side

Aircraft Location:

Main landing gear bay

Aircraft Mission Design Series:

F-16

Special Features:

Door actuator support

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367-t73 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
