Overall Length:

5.001 inches

Overall Width:

8.580 inches

Material Thickness:

0.250 inches

Side For Which Designed:

Both sides

Aircraft Location:

Lower fuselage

Aircraft Mission Design Series:

B-1b aircraft

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
