Fabrication Method:

Composite

Aircraft Location:

Fairing-radome, aft, pave mint antenna

Aircraft Mission Design Series:

C-130 combat talon ii

Material:

Plastic

Surface Treatment:

Paint polyurethane

Surface Treatment Specification:

Mil-c-83231, class a, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500

Mil-std (military Standard):

Mil-c-83231 spec.
