Side For Which Designed:

Left side

Aircraft Location:

Bracket, support-lower nozzle fairing

Aircraft Mission Design Series:

F-15e

Material:

Titanium alloy

Material Specification:

Mil-t-9046, type 3, comp c, annealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-t-9046 spec.
