Side For Which Designed:

Left side

Aircraft Location:

Lwr wing root

Aircraft Mission Design Series:

F-16

Special Features:

Outbd aft edge member

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/18-t73 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
