Overall Length:

12.000 inches

Aircraft Location:

Integrated display control unit, copilots

Aircraft Mission Design Series:

Fy93 arc/acc c-130

Special Features:

Diverter

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
