Overall Length:

8.280 inches

Aircraft Location:

Fuselage c.L. Pylon

Aircraft Mission Design Series:

F-5

Special Features:

Drill .370/.375 diameter 4 places csk, 2 holes to match 7-10200

Material:

Aluminum alloy

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
