Aircraft Location:

Vertical stabilizer

Aircraft Mission Design Series:

B-1b

Special Features:

U/a: shield, hf antenna; u/o: -001 assembly; c/o -003 & -005 shields

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
