**Overall Length:**

3.100 inches

**Overall Width:**

2.200 inches

**End Application:**

F-15, eagle aircraft

**Hole Quantity:**

2

**Aircraft Location:**

Roller, engine installation

**Aircraft Mission Design Series:**

F-15

**Material:**

Steel

**Material Specification:**

Astm b196, cond h assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
