Overall Length:

51.000 inches

Overall Width:

24.000 inches

Thickness:

0.028 inches

Aircraft Location:

Panel, aft cowling

Aircraft Mission Design Series:

C-141

Special Features:

Skin, inner

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
