Overall Length:

10.500 inches

Overall Width:

3.600 inches

Material Thickness:

0.071 inches

Product Name:

Dp angle

Aircraft Location:

Bulkhead assembly, forward fuse, cy 318.75

Aircraft Mission Design Series:

Cf 18 hornet

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 cond o federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
