Overall Length:

66.000 inches

Overall Width:

35.000 inches

Thickness:

0.090 inches

Aircraft Location:

Skin, aircraft-fwd, upper, fwd quarter panel

Aircraft Mission Design Series:

F-15i/f-15s

Special Features:

Heat treat to 2024-t62

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
