Aircraft Location:

Splice-stringer no.45 through 51

Aircraft Mission Design Series:

C-141

Special Features:

Fitting, 998 kit; made from 3f31206-992 forging; eco 82c00011 indicates deviation, manufacture from 7075-t6 bar stock in lieu of forging

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367, comp 10 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
