Overall Length:

32.620 inches

Overall Width:

12.820 inches

Thickness:

0.090 inches

Aircraft Station Number:

Fs509.500 to fs558.500

Aircraft Mission Design Series:

F-15i

Special Features:

Cover, access-controls, upper

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5-t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
