Overall Length:

1.500 inches

Overall Width:

2.000 inches

Hole Quantity:

6

Aircraft Location:

Cargo floor heat

Aircraft Mission Design Series:

C130-j

Special Features:

Shape like the letter t

Material:

Aluminum alloy

Material Specification:

Qq-a-200/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
