Overall Length:

66.000 inches

Overall Width:

35.000 inches

Thickness:

0.090 inches

Aircraft Location:

Forward upper, forward quarter panel

Aircraft Mission Design Series:

F-15i/s

Special Features:

U/o f-15s 1 and up; next higher assembly 68a314011

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, cond 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
